President Lee A. DuBridge  
California Institute of Technology  
Pasadena, California

Dear Dr. DuBridge:

John McCone has sent me a copy of your letter to him of December 23 with respect to the chances of young [redacted] entering your great institution.

STAT

For reasons that I look forward to presenting you some day, it would be a great personal favor to many of us if you could see your way clear to accepting his application for graduate study.

One time I had the rare privilege of representing the President in presenting to [redacted] simultaneously, on your campus, the Medal of Merit. At that time I was with John McCone, so I knew of his relationship with you all, and therefore took the liberty of talking to him.

STAT

My kind regards,

Sincerely,

Stuart Symington
